

Hi All!

Muriel's article, *In a Garden*, hit me where I live deep inside.

I am a 90 year old retired farmer that lived in, worked with and through nature my whole life. I feel closer to Jesus Christ when I am outside.

As Adam was a white man, I guess it is a longing in us for the Garden of Eden. I know the heavens and all nature attest to the glory and power of God.

Again, thanks for an excellent piece and we enjoy the Torch. Be Safe!

Don D./KS

Dear Pastor Robb:

Satan has many converts. We see and hear that evil is good and good is evil.

Never in all these years would I have thought this would have happened in our beloved republic. The evil spirit of Lucifer has infected so many minds.

God created male and female and he said it was good. Now we are being told that there is no such thing.

It is said there is nothing a person can do to keep God from loving them. Christ died for them, but it is up to the individual to repent and accept Christ as their Lord. If they reject the shed blood of Christ on the cross - they are lost.

I heard a radio preacher say in 2005, "*Your life is the sum total of your choices.*"

That is very true!

Dear Christian Revival Church:

I want to thank you for sending me The Torch and to thank you for helping to expose the political hoax in America.

The career politicians are destroying America. I have no hate for blacks or even Mexicans. It's the career politicians, regulatory bureaucrats and labor unions that keep these fake and phony politicians in power to the harm of every one.

Walter W./Texas

## THE TEST!

By Thomas A. Robb

I know your preacher is a nice guy! There is absolutely no doubt in my mind that he is a caring person. He proclaims his love for the Lord, and he preaches strong sermons about the wonderful change that Jesus can make in a person's life.

You probably have known him a long time. Perhaps he has been to your home for dinner, or you to his home. He has a nice wife and family. He has a disciplined Christian life. He actually *walks the walk!*

## JUNE IS GAY PRIDE MONTH

By: Jason M. Robb J.D.

**June is officially Pride month.** The month we are told to celebrate the diversity of being everything except White heterosexual Christians. Pride month is the time to celebrate the great sacrifices and achievements of being sodomites and gender confused. Pride month is the time we get to have shoved in our face the sickening and perverted lifestyle of the degenerates. The Bible is very clear that the moral lifestyle we are supposed to

# DAVID CROCKETT AT THE ALAMO

By Caleb Edward Robb

**Heroes** are important in our lives. We all need heroes. Heroes are men and women that served and fought for an ideal greater than themselves. Like George Washington, through his leadership he won the revolutionary war in 1799 and then became the first president of our Republic. Another great hero is Constantine who brought Christianity to Rome.

In 312, during the Battle of the Milvian Bridge, before his conquest of Rome, Constantine saw a vision in the sky of a Cross with the words *In Hoc Signo Vinces* - **“By this sign YOU SHALL conquer.”** Those are really powerful words. There are so many heroes of the past that I can't put them all in this short article. All the evil people in the world do not want us to have heroes. They want us to think that our heroes are villains and demons.

Now I am going to concentrate on an American hero: David Crockett. Crockett was born on August 17, 1786, in eastern Tennessee. When he was 12 years old, his dad sent him as an indentured servant to Jacob Stiler to help with the family's indebtedness. He was well paid for helping Stiler move his cattle on a 400-mile trip near Natural Bridge, Virginia.

Returning home, he became a good hunter and loved to tell folk stories. He was eventually elected to Congress between March 4, 1827 -

March 4, 1831. David Crockett was also a Tennessee militia man who fought in the Creek war in 1812 and served under Andrew Jackson. He got the higher rank as a lieutenant colonel after the war.

In 1835 David Crockett lost his final congressional campaign to Adam Alexander then heard about Texas's fight for freedom. In 1836, newspapers published the now famous quotation attributed to Crockett. Upon his return to his home state, he said to his political enemies, **“You all can go to hell, I'm going to Texas!”** So, David Crockett got his long rifle and his coon skin hat, some of his friends and headed to Texas. On February 8, 1836, Crockett and his friends arrived at the Alamo to help defend it. The Mexican soldiers arrived on February 23, 1836. There were 2 other colonels there as well: Will Travis and Jim Bowie. When David Crockett got to the Alamo there was 180 defenders and there were 2,000 to 5,000 Mexicans

## THE TEST from page 10

preacher for the One World Church? You won't know for sure until he takes THE TEST!

You may be thinking, there is no way he could be a part of the One World Church, because he is a sincere, Bible believing, born again, spirit filled man of God.

But remember, Jesus was concerned that even His own disciples could be deceived by the teachings of the Pharisees. So certainly - it is possible!

**But you won't know until he takes THE TEST! The test is *very easy*. And it can be done in less than a minute!**

### NOTE!

**Tolerance is the poison of the Satanic rebellion.**

**The One World Church is the vehicle that by deception injects the poison into unsuspecting Christians.**

**White Genocide is the objective of the Satanic Rebellion.**

Most of you are aware that God made a Covenant with Abraham, Gen 12, 17. This covenant is as enduring as the sun, moon and stars, Jeremiah 31. The whole integrity of God rests upon his *willingness* and or *ability* to keep the covenant.

If He fails in the keeping of the Covenant, either by being unwilling or being unable than the integrity of God is shattered and Satan wins the rebellion by default.

The Satanic Rebellion hates White Christians. We see the intensity of this hatred growing every day. The massive flood of nonwhites into America (and Europe) is for the purpose of bringing about White Genocide. Certainly, if you have two active brain cells and one open eye you know this to be true. And the promotion of this white genocide is coming from politicians, media, schools *and* the

churches.

So the simple test goes like this.

1) *Ask your preacher is he believes race-mixing is a sin.*

If you are afraid to ask him, it may be that you are afraid of what his answer may be.

But good friend or not, he is giving the spiritual guidance you and your children need in this matter. So, ask him!

It's important!

If he says “No” then you need to get out of that church *immediately*.

And diffidently do not give any contributions to that church. Why would you financially support something or someone that is promoting White Genocide? You may be saying, *“He is not actually promoting white genocide - he is a good man, and he just doesn't know.”*

That's right - the One World Church has deceived him. Are you going to help him spread his deception?

Now here is where you have to be on guard! Remember Jesus told his disciples to “beware,” be “on guard!”

If he says “yes!” race-mixing is a sin. That is good - he may have passed the test. But then again maybe he is saying that only because he thinks this is what you want to hear.

So if he says *“Yes - race-mixing (miscegenation) is a sin.”*

2) *Then ask him to preach a sermon on the sin of race-mixing next Sunday at church.*

He preaches against other sins - doesn't he? So he should be warning and teaching about this sin also.

Or is he afraid?

If he is afraid, then you need to seriously consider what is more important: your relationship to this preacher (possibly a friend) or your relationship to the Lord and truth. If you continue attending that church, and financially supporting that church then you certainly must realize that you are supporting the One World Church and helping to spread its message of White Genocide to others. **END**

## THE TEST from page 8

Pharisee was only a name given to the enemies of Jesus Christ at that time. The Jewish Encyclopedia of the Jewish Religion (1965) which I have in my library clearly identifies *Pharisaism* with modern Judaism. This

Encyclopedia is the product of an impressive array of Jewish scholars. I could list their names, but it would mean nothing to you.

Under the heading Pharisees it says: "*The Pharisaic line was continued by*

*Talmudic and later rabbis, who together form the tradition of rabbinic Judaism, so that the entire subsequent development of Judaism bears the indelible stamp of Pharisaism.*"

Why is this important? Because it clearly shows the evil teachings of the Pharisees is still being taught in modern Judaism and in their Jewish temples, schools and synagogues.

Christians mistakenly believe that they are somehow protected by the Holy Spirit so they will not be deceived.

But I am not sure that is true. For example, in Matt 16:6-12 Jesus Christ is concerned that His own disciples could come under the power of deception. So, in verse 6 he says, "*Take heed and beware of the leaven of the Pharisees and of the Sadducees.*" The next few verses show their confusion of not knowing what Jesus meant. Then in verse 11 he tells them,

*"How is it that ye do not understand that I spake it not to you concerning bread, that ye should beware of the*

*leaven of the Pharisees and of the Sadducees? Then understood they how that he bade them not beware of the leaven of bread, but of the doctrine [teachings] of the Pharisees and of the Sadducees."*

It are those teachings which plague us today. And the principle destructive teachings of the Pharisees is the doctrine of *tolerance!*

TOLERANCE is the "*WIDE gate, and broad way, that leadeth to destruction,*" Matt.7:13.

The One World Church is the vehicle of the Satanic Rebellion, and it has pounded this doctrine of tolerance into our heads day and night since we were children.

But tolerance doesn't look evil. At least not in the way it is presented to us. Tolerance is loving! Tolerance is kind! Tolerance is nice!

It is what the world needs! Like the song from the 1960s declares,

"What the world needs now is love, sweet love. It's the only thing that there's just too little of. What the world needs now is love, sweet love. No, not just for some but for everyone."

My goodness, who can be against LOVE! The mantra we always hear from the left is LOVE WINS! This is supposed to shut down all opposition.

The One World Church has fused this passion of tolerance and love into the minds of every church goer in America. It is like its on a continuous loop, playing again and again and again off the lips of every preacher in America.

And of course the preacher will push this Satanic teaching of tolerance because he is a nice preacher with a nice family, he comes over for dinner and he's a good friend. You wouldn't attend his church services if he wasn't nice - would you? He actually doesn't know any better because he is a victim of the One World Church also.

He probably has no idea that he could be a

soldiers. There were 5 unsuccessful sieges on the Alamo. Historians said that the Texans almost won the battle because the Mexican soldiers got so scared of the Texans killing 1500 of their men that they almost retreated. Gen. Santa Ana decided to lead the final siege which inspired the Mexican army.

David Crockett and his men fought at a wooden wall next to the chapel at the west wall. On the 2nd day Santa Anna offered the Texans to surrender but Will Travis ordered to fire the 18 pounder at the Mexican

encampment in response to Santa Ana's offer to surrender. For nine days they continued the defense.

On day 9, Will Travis drew a line with his army saber and said, "who wishes to stay with me in the Alamo, cross the line," everyone crossed over.

Are you willing to cross the line for our freedom today?

On the 10th day Jim Bowie became ill and was put in a small room with a cot and on the morning of the 12th day before dawn, Santa Ana ordered his men to siege the Alamo. On the 13th day the Mexican soldiers stormed all sides of the fort, but the Texans were holding them off until the Mexican soldiers got ladders over the north wall. William Travis was shot at the north wall and died, and the Texans tried to stop the flood on the north wall, but it was too late. At the West wall, Crockett and his men were holding their side. Then the Mexican soldiers took the South wall and it fell. David Crockett and the remainder of the Texans fled to the chapel where they quickly built a barricade and stacked sandbags in front of the chapel door and held it. While they were doing that, some Texans that were still trying to save the walls from the Mexicans soldiers who killed the remanding Texans that were still alive at those

"I'm  
Going to  
Texas"

walls. So they stormed to the west wall in the fort. Historians say at the final battle, Crockett at the room where Jim Bowie was laying in his cot loaded 2 flint lock pistols and put them in Jim Bowie's hands and left.

Bowie soon heard noises approaching the wooden door. He raised himself from his cot and raised his arms facing the door. The Mexican soldiers with their bayonets were breaking down the door. Then the door busted open and Mexican infantry rushed in the room and Bowie shot both of the Mexican soldiers dead on the ground. More Mexican soldiers rushed in to kill Bowie. Grabbing his famous knife, Bowie managed to stab a couple of them and then Bowie was stabbed to death in his cot. They then left the room to storm the chapel. They stormed the chapel and every man died except David Crockett according to one account. It is recorded that one of the women at the Alamo stated "of Crockett's final moments as a frenzy battle against his enemies, he looked grand and

terrible, shouting at the front door and fighting a whole column of Mexican infantry. He had fired his last shot and had not time to reload. The cannon balls had knocked away the sandbags in front of the front door and the infantry was pouring through the breach. Crockett stood there swinging something over his head. The place was full of smoke and I could not tell whether he was using a gun or a sword. A heap of dead was piled at his feet and the Mexicans were lunging at him with bayonets, but he would not retreat an inch."

It is interesting that the same woman survivor of the Alamo described Crockett "as someone who did not look like a hero or the reputation that followed him in fact, he looked quite ordinary." She described him as looking almost soft, and conducted himself with the gentleness that you would not expect of a rouged frontiersman. She said, "*I would never have regarded him as a hero until I saw the way he was willing to die.*"

David Crockett is a hero, and his life should inspire us all to be willing to fight for a great cause.

Hello!

I am not DEAD!

By Thomas A. Robb

Somebody was wishing  
A little too hard!

The first mention of my death was from a black guy on *Twitter* known as Fetty. Here is his original post from April 20. It appears that this was modern tech voodooism.

Sticking a pin in a doll is just too old fashion. So perhaps just printing a story on April 20, which was the birthdate of Adolph Hitler, it would bring the dark demons of hell into a united force to actually make my death happen.

Of course that didn't happen. I am under the blood of Jesus Christ and my departure from this life will be by His choosing and design and not by the voodooism of some Satanic worshipping voodoo high priest.

As the Bill Gaither song says, "I've been washed in the fountain - Cleansed by His blood."

After Fetty made this post the false story spread like wildfire. It was being repeated all over the internet, and news agencies in Australia, South Africa and Europe repeated the Voodoo Ritual.

Here is one story.

# New Tract Available

"We need to get thousands of these tracts distributed Across the country" *Thomas Robb*

Has God Removed His blessings from America

It certainly seems so. We hear of inflation, illegal aliens, anti-white Critical Race Theory (CRT), weakened economy and the confusion some have in determining how to tell the difference between a boy and a girl. We are told that these are problems Americans face. But these are not the problems! They are the curses we are turning against God.

## Easy Math

Some say there are only 15 million (only!) illegal migrants in America. But others say there are as many as 30 million illegal migrants. The US has a population of 332 million. If there are 15 million migrants that would mean one out of every 22 people you see on the streets are here illegally. If the newer figures are accurate that would mean one out of every 11 people you see on the streets are here illegally.

Welcome to America! The 3rd World invasion! And America is changing. The change is not good, and the children... If you think we are having a hard time with these 'minorities' just wait until these 'minorities' become the majority! Will your children do? THAT is why we need Jesus!

## 100 for only \$20

We need these tracts distributed by the thousands throughout the country. There are many people being sucked up into the **One World Church**. The One World Church has hijacked our very best nature - a nature of compassion - and have twisted it to take us to a very dark place that ends up in White Genocide. The One World Church is guilty of making evil "good" and good "evil."

These tracts can be left on counter tops, in stores, or rest rooms. **They are small and can be easily distributed without attracting attention to your self.** You can also simply mail a few out each week. You can order 50 of each for the same price.

The price includes postage, but if you are able to send a couple extra dollars to help on postage that would be helpful. The tract offers a free DVD to those who wish more information. Your tithe and contribution to the Church will help toward the production and mailing of these DVDs.

anyone with two functioning brain cells and one open eye that there is an attempt to genocide the white race.

I think you know this is true and that is why you are a friend and supporter of this ministry.

Genociding the white race (Israel) is an important tactic used by the Satanic rebellion. I have to be brief, but I will cover this in more depth in my new book which will be titled *The One World Church*.

What I want you to understand right now is that the One World Church is powerfully deceptive. It doesn't look evil at all. That is why it is able to deceive so many. *The One*

*World Church* looks like the real thing. It sounds like the real thing. It even *feels* like the real thing.

It doesn't have horns.

It looks nice! It sounds nice! And it *feels* nice!

In fact, the One World Church **IS** nice!

It is beyond suspect!

It is SO nice that it can fool even the most devout Christian.

But it is actually quite **easy** to detect. All you must do is give it **THE TEST**!

The One World Church is under the influence of the Pharisees. I know that we don't think of Pharisees in today's culture. But

## Photos from 2023 Faith & Freedom Conference

## The recent Faith & Freedom Conference was a wonderful experience for everyone attending.

It was hard to determine how many people attended during the week-end event. There were folks Friday night who said they would be unable to be there on Saturday. There were others there on Saturday who were not there on Friday. Still others attended Sunday who were not there on Friday or Saturday. It would be nice if everyone could spend the whole week-end, but I know that is not possible. We are just glad that those who did come, even for a short while, were able to do so. Those who attended were able to hear from the various speakers. Along with myself there was Rachel M. Pendergraft, Debbi Daily, Attorney Jason M. Robb, Dr. Everett Ramsey, Pastor Steve Kukla, Caleb E. Robb and a classical piano presentation from Brian C.

be searching for is righteous living and should even abstain from all appearances of evil. 1 Thessalonians 5:22. This is a struggle in today's times when we see the agenda of the media, government and even the softening of some churches in promoting and accepting sexual perversions.

God is not to be mocked. *"Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap."* Galatians 6:7. Those that live in this sinful lifestyle will reap what they sow. He is a righteous God and a God that hates the destruction and perversion of His perfect order.

But does our God, the God of Abraham, Isaac, and Jacob celebrate the history of Pride Month. Of course not! We can recall the story of Sodom and Gomorrah in Genesis 19, that two angels visited Lot and the angels warned Lot to take his family and leave the city because God was going to destroy it because of the sexual perversion of

Hello, we are the new school counselors.

homosexuality. *"But the same day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all."* Luke 17:29. That is where we get the word sodomite because it refers to the sexual perversion of that city. *"But the men of Sodom were wicked and sinners before the LORD exceedingly."* Genesis 13:13. Even God told Abraham that he would spare the city if they could find fifty righteous men, which he could not. *"And the LORD said, If I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes."* Evidently, any of the righteous who

previously lived in Sodom, had already moved away rather than live in the sexual filth of the city. Genesis 18:26. The whole city was corrupted with sodomites as well as those that were tolerant to sodomy.

Israel continued to be sinful when they allowed sodomites to live in their midst and it continued to anger God. Judges 19:22; and in 1 Kings 14:24 God once again called out the perverted lifestyle of the sodomites when He said, *"And there were also sodomites in the land: and they did according to all the abominations of the nations which the LORD cast out before the children of Israel."*

God throughout history impresses upon Christians the importance of abstaining from sexual perversion as well as being tolerant of it. *"But I say unto you, that it shall be more tolerable for the land of Sodom in the day of judgment, than for thee."* Matthew 11:24. God's rules and His order is not to be taken lightly. Peter reminds us that Sodom and Gomorrah is an example of unrighteous living. *"And turning the cities of Sodom and Gomorrah into ashes condemned them with an overthrow, making them an example unto those that after should live ungodly."* 2 Peter 2:6. In Lamentations 4:6, it says, *"For the punishment of the iniquity of the daughter of my people is greater than the punishment of the sin of Sodom, that was overthrown as in a moment, and no hands stayed on her."* In Jude 1:7 it says, *"Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."* In Isaiah 3:9, it says, "The shew of

their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul! for they have rewarded evil unto themselves." Isaiah is saying here that they were not hiding their sickness. They were flaunting it and not ashamed of their sexual perversion. We can see that same blatant attitude today with the drag queen shows, queer story hour, sodomite parades, and pride festivals.

See SODOMITE page 7

## SODOMITE from page 6

God's punishment for homosexuality was death...*"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them."* Leviticus 20:13. And those that are guilty of homosexuality under God's law would be excluded from the Kingdom of God. *"Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,"* 1 Corinthians 6:9.

Today, homosexuals just like in the days of Sodom and Gomorrah are open about their immoral lifestyle. We continue to see this lifestyle thrust in our face in cartoons, movies, ads, newspapers, media, legislation, and our courts; and we now see churches who were once staunch defenders of our Christian faith accepting this lifestyle. They have shown to be weak. They have already accepted miscegenation and are now accepting homosexuals by being tolerant of it by not talking about it as it could be a disruption in their church or having signs in the billboards that say "All are Welcome." Well, the fact is, there are certain ones who are NOT welcome.

*"But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur. This is the second death."* Rev 21:8

As Christians, we have to continue to stand against this perversion by not mentally accepting or being passive about this lifestyle. We have to remember the abomination that God has towards this lifestyle and teach this to our children. As June comes and we are inundated with this propaganda, put on the whole armor of God and be mindful of their attacks on our Christian faith and pray that God will give you the strength to be faithful. END

## THE TEST from page 1

That is certainly refreshing in a world full of plastic people who have an outer veneer that does not truly reveal the inner man.

So here is what we have: A nice preacher, a nice father, a nice husband. A nice preacher who proclaims his love for the Lord and it appears it is genuine. A nice preacher you have known a long time. A nice preacher that is not only a good preacher, but he is also a good friend. But is that good enough? Really what else can you ask for? Everyone absolutely adores his Christian boldness, his humble spirit and his commitment to wholesome Christian living.

But are you willing to take a deeper look?

It is hard to break off a good friendship. But are you prepared to do it or is the friendship of the world more important?

In the legal profession there is what is called

*"Judicial Notice."*

Here is the explanation of Judicial Notice.

*Judicial notice is a rule of law that permits a party to ask the court to accept as fact something that is so widely known that no one would dispute it. What this means is that, if judicial notice is granted, the court will accept the fact as true without the need for any proof that it is, in fact, true.*

Simply put, in a trial I would not have to prove fire is hot. The judge could declare with "judicial notice" that everyone already knows fire is hot. So, I would not be required to PROVE it.

With that being said, I believe we can safely say, with *Judicial Notice*, that it is obvious to
